## How to Find Us

Our office is located at 124 College Avenue, near Powder House Square, approximately one half mile from Davis Square. If you are coming by subway, or "T", take the Red Line to the Davis Square Station. Exit the Davis Square Station on the College Avenue side. You may take the #94 or #96 bus or walk 10 minutes along College Avenue. If you walk, turn right out of the subway station and follow College Avenue around a traffic circle. Follow College Ave and look for our sign on the right.

**Free parking is available behind our office.**

# The Top 10 Reasons to Choose West Somerville Dental Associates as **Your** Partner for Dental Health.

At West Somerville Dental, we are dedicated to providing you with the finest dental care in a comfortable and caring environment. Your comfort and the quality of your care is our main concern. We treat our patients with dignity and respect, and fully explain all treatment before it begins. Every member of our dental team is completely committed to the satisfaction of our patients.

**1 We offer the most modern technology**  
Patient exams are done with an intraoral camera, which allows the doctor to see areas of concern in great detail. All of our records are stored safely and securely in our system without using paper.

**2 X-rays are taken digitally**  
This allows the image to be seen instantly without using film or developing chemicals. This technology allows a better image using 95% less radiation. Use of digital technology is part of our 'Green Dentistry' effort to reduce our impact on the environment.

**5 Preventive Dentistry**  
While we focus on fixing current problems, we also strive to prevent new problems. We use sealants, fluoride, and most important, the collective knowledge of our dental team to educate our patients in the prevention of dental problems. We are here to improve the quality of oral health of our patients.

**6 Dental Insurance and Financing**  
We can help you understand your insurance benefits and we will bill directly to your insurance carrier. In addition, we offer treatment financing through preferred financial institutions.

**7 We Can Improve Your Smile**  
Do you like your smile? This is one of the first questions we ask our patients. Starting with healthy teeth and gums, we can perfect your smile through porcelain restorations, veneers, whitening, and other state of the art treatments.

**8 Implant Dentistry**  
With dental implants, missing teeth can now be easily, comfortably, and permanently replaced. Dental implants look amazing and work just like your original teeth; they are nearly indistinguishable from your real teeth. We place and restore dental implants on site.

**9 Convenient Location & Parking**  
We are conveniently located near Davis Square in Somerville. We are accessible by public transportation (Davis Square T stop). We have plenty of off street parking and we are handicap accessible.

**10 Our Doctors**  
Our doctors and dental hygienists are skilled clinicians and artisans from the finest schools in the country. Our dental professionals have one goal in mind – to improve your overall oral health. For some this is a new smile, for others it is prevention or treatment. You will have the same doctor or hygienist each time you see us – we are dedicated to consistent, quality patient care.
